FGIS Issuance Change

CHANGE TO☐ DIRECTIVE☐ MANUAL☒ HANDBOOK

CHANGE NO:	TO (No.)	TITLE:	DATE:
2		Mechanical Sampling Systems Handbook	11-07-03

PURPOSE OF CHANGE:

The Mechanical Sampling Systems Handbook has been revised to reflect a change in the Form FGIS-936, Sampler Condition Report. The form now includes appropriate sections for testing mechanical truck probes. Editorial and policy memorandum changes from prior years are incorporated.

FILING INSTRUCTIONS
